## GREEN TRAVEL

SPECIAL

The Green Parent is the UK's leading green lifestyle magazine. The new year edition (published 6th January) will carry a major section dedicated to Green Travel. Packed with features and enticing holiday ideas, the contents will include expert comment and insightful journalism from the top green travel writers together with inspiring spreads on where to go in Britain. We'll be looking at the UK's most family-friendly self catering accommodation and exploring the wealth of campsites offering something that little bit different for a relaxing break. Our Green Travel Special will help our 150,000 readers to make decisions about their holidays for the coming year. The following page shows examples of editorial features plus a range of advertising options.

To promote your holiday accommodation in this exciting issue just call Emma or Brian on 01892 677740. Space in this section is limited so please contact us as soon as possible.
